Social- Chair Peter Scorpio reported that Rhode Island night at the UMass New England Building Officials Seminar went smoothly and the food and facilities at the Amherst Brewery were excellent. Thanks Peter for your help in coordinating that great time.

The Holiday event will be held December 16th at 12:00 PM at Effins. Further details will be available soon and the flyer will be sent and posted on the website shortly.

Education- Bill Hanley reported that the New England building Officials Association Seminar at UMass Amherst was a great success with good programs and courses. They hope to continue building on that success for future programs. They also anticipate offering the ICC Certification testing again next year. They will meet in early January to begin to discuss next year's classes and program.

Warren D. gave an update on education classes and noted that the certification cycle for Building Officials and Inspectors ends December 31st of this year, and a new three year cycle will begin. If you didn't receive your current credit hours from the State, contact Jack L. via email. President Nash also noted to send him an email with any suggestions for education classes.

Pins- Rob Walker reported that he has looked into some new companies to have pins made, but the pricing remains about the same. Steve M. mentioned that Staples offers services to have pins made. With the deadline for the Phoenix ICC Hearings approaching, it was recommended that the committee report back in one month.

Legislative- No new business.

Old Business: None reported.

Correspondence: The Rhode Island League of Cities and Town's sent a letter for a booth rental for next years League Expo. Because many attendee's to that event are City and Town employee's, it was felt that this would not be a good venue to promote our association.

New Business:

President Nash requested a motion to provide assistance to help fund either lunch or coffee for the electrical seminars given by the State. A motion was made to split the cost with the State Electrical Association for lunch and coffee/donuts for the seminars. Motion made, seconded and all approved.

The RIBOA donation bowl was passed, and \$43 was collected. Thanks to all members for your support.

The raffle for the stylish RIBOA shirt was won by new member David Rignanese.

Health & Welfare: None reported.

Adjourn: 3:05 P.M.
